For the New York Herald.

They said she was in heaven, but I am sure she wasn't.

They say she was in the arms of man, but I am sure she wasn't.

They say she was in the arms of her husband, but I am sure she wasn't.

They say she was in the arms of her children, but I am sure she wasn't.

They say she was in the arms of the angels, but I am sure she wasn't.

They say she was in the arms of God, but I am sure she wasn't.

They say she was in the arms of the world, but I am sure she wasn't.

They say she was in the arms of the earth, but I am sure she wasn't.

They say she was in the arms of the air, but I am sure she wasn't.

They say she was in the arms of the sun, but I am sure she wasn't.

They say she was in the arms of the moon, but I am sure she wasn't.

They say she was in the arms of the stars, but I am sure she wasn't.

They say she was in the arms of heaven, but I am sure she wasn't.

They say she was in the arms of eternity, but I am sure she wasn't.

They say she was in the arms of life, but I am sure she wasn't.

They say she was in the arms of death, but I am sure she wasn't.

They say she was in the arms of love, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.

They say she was in the arms of the grave, but I am sure she wasn't.
