Is Sam Brown gonna get sent down?

Another potential inmate (who shouldn't hold his breath for solidarity post from us) is Brown of S&K Security fame. (Think coked up Raphe) Being sued by a squatter for assault at an eviction on Tabernacle St back in 2021 he faces trial at the end of June. S&K have recently said that they wont be doing common law evictions anymore. We can't help but wonder if thats cos they keep getting legal action taken against them.

Taxed and Confused

SHOCKING news has reached us regarding dodgy bailiff Eli Bitan, Director of B1 Security (dissolved in 2014 but still operating) Buzz-kill Bitan forced his way into a squat in Whitechapel on the 4th of May with a bunch of his sketchy mates REFUSING to show any paperwork. Throwing punches, threatening pepper spray and OWN my god housemate tasers. CHARGED with possession of a firearm he is CURRENTLY on remand. Long live the RESISTANCE!

EXCLUSIVE INTERVIEW WITH THE INFAMOUS SWAMPY

So exclusive it was lost for a year and just recovered in time for this slap comeback issue!

A year on from the month long Euston tunnel occupation that cost £5.5M, HS2 announced that the Euston part has been put on hold and the train may not even go there.

Q What do you think made you the most famous, you're tunnelling capabilities or your bold and daring single dreadlock fringe hairstyle?

A Definately the totally original hairstyle, which had nothing to do with my Tank Girl obsession.

Q What fashion accessory would you not be caught dead without on a big night out underground?

A Bum bag

Q If price were no obstacle and you could travel the world with any tree, what tree would it be and where would you go?

A Probably a Hazel, cos I can make a shelter and eat nuts.

Is it true that you were abandoned at birth and thrown down an 80ft well where you were raised by a family of mole-rats who taught you the ways of the underworld until you reached maturity and were able to tunnel your own way to the surface on your 18th birthday? —And is it true that you are still watched over by these mole-people to this very day?

Contry to popular belief that I was brought up by a middle class family in High Wycombe, this is totally true.

Q How many trees have you saved to date?

A 516796.75

Q What number am I thinking of?

A 516796.75

Q Beer of choice?

A I'm not going to name a brand, but I love wheat beer. Lots of it.

Q If you were stuck in a hole in the ground for the rest of your life and could only bring one album with you what album would it be and why?

A GADJO

Q What is your date of birth?

A Mothers maiden name? Debit card pin? The Mole rats never told me. Molerattus 516796.75

Q What is judge dredd like in person?

A He's just doing his job. AJAB

Q What is the worst thing a person has ever done while stuck in a hole in the ground with you?

A One of Yogis shits ended up in Scotty's sleeping bag, but that doesn't answer your question I suppose. I don't want to get personal.

Q How long can you hold your breath?

A One of my Mole Rat superpowers means I don't have to breathe.

Q How do you wank while crammed for days in a crowded tunnel?

A I think I'd better not answer that one. Let's say it was pretty hard to control being around all those sexy bailiffs.

Q If you were a dinosaur what dinosaur would you be?

A Triceratops.
