

THE INTERNATIONAL WORK- ING MENS' ASSOCIATION

COMRADES! Finally a country has been found where it is possible to hold the congress of the I.W.M.A. The Secretariat of the I.W.M.A. hereby invites all affiliated organizations and those sympathetic to send delegates to the 3rd Congress which takes place at Whitsuntide, May 27, 28 and 29, 1923, in the House of Unions (Maison des Syndicats) 20 rue de la Loi, Liege, Belgium.

We propose the following agenda:—

1. Activity and accounts of the Secretariat.
2. Reports of the delegates of the separate countries. (These reports should be sent in advance in writing to the Secretariat of the I.W.M.A. so that they may be translated in the various languages in time).
3. The revolutionary workers' movement and the new phases of capitalist development.
4. Participation by the I.W.M.A. in the practical struggles of every day.
5. The foundation of an International Solidarity fund of the I.W.M.A.
6. The situation of our movement in the countries of Fascism and dictatorship as Italy, Spain, Portugal, Russia, etc.
7. Propaganda in the countries where there are no organizations of the I.W.M.A.
8. The I.W.M.A. and Anti-Militarism.
9. Elections to the Secretariat and the seat of the next Secretariat.

Other proposals to the agenda must be sent to the secretariat at once. The secretariat wishes to be informed of the selection and despatch of the delegates. Comrades! In view of the fact that the Congress takes place one year later than decided, it is important that every affiliated organization sends its representatives as only thereby and by the cooperation of all forces it is possible to discuss all matters thoroughly and thus arrive at a satisfactory solution on same.

With International Greetings,

THE SECRETARIAT.
